Kristu Jayanti School of Management organized a Panel Discussion on Union Budget 2018

Kristu Jayanti School of Management organized a Panel Discussion on Union budget 2018-19 on February 02, 2018. Mr. Varadarajan Krishnamurthy Former Deputy Editor & Chief of Bureau, The Hindu Business Line was the moderator. Mr. John Thomas, Former Editor, Vijay Karnataka and Mr. Sandeep Jhunjhunwala, Senior Manager, Deloitte were the panelists. The programme started with the first year MBA/PGDM students presenting on various aspects of the Union Budget 2018-19 like, Railways, Common man

and Corporates based on their observation & analysis during their live session on the budget at the college auditorium. Mr. Varadarajan Krishnamurthy gave a brief prelude to the panel discussion, Mr. John Thomas addressed on 'Budget & Common Man' while Mr. Sandeep Jhunjhunwala deliberated on "Budget & Taxation" and "Budget & Economy". The discussion threw light on various aspects of the budget, expectations, areas focused etc. The session ended with a Q & A interaction.

Kristu Jayanti School of Management MBA/PGDM organized Experiential Learning Week

Kristu Jayanti School of Management, a leading B-School in Bangalore, conducted an 'Experiential Learning Week' for first year MBA/PGDM students. A group of first year MBA/PGDM students was shortlisted and was taken to ITC Ltd., where they were offered a field project. Students got an opportunity to interact with the industry officials and also to work on the field

on a live project.

All the first year MBA/PGDM batch 2017-19 were taken for an industrial visit in Bangalore. Students visited the industrial units of 3M Company, formerly known as the Minnesota Mining and Manufacturing Company, an American multinational conglomerate corporation, Kennametal, a supplier of tooling and industrial materials, head quartered in Pennsylvania, United States and CM Ervirosystems, a leading engineering company specialised in environmental simulation testing technology. This Experiential learning week aided the students to practically experience the complexities in Business Management and also to understand the challenges in setting up and running big industrial units.
