

## Kristu Jayanti-School of Mgt organized Experiential Learning Week

**K**ristu Jayanti School of Management organized an Experiential Learning Week for the MBA students. The experiential learning platforms are a key highlight of the MBA program at Kristu Jayanti School of Management. Students are given an opportunity to learn by seeing, observing and doing. MBA students were taken on an Industrial visit to Pushpak Products

India P Ltd., Bengaluru, which has been designing, manufacturing and delivering high-end precision products and services for the Aerospace, Defence, Automobile, Industrial and Institutional since 1992. Students spent a full day at the company and learnt various production and operations management concepts and principles by seeing, listening and observing. The company officials took time to brief the various production processes and also clarified the doubts and answered all the questions raised by the students. It was a memorable and enriching learning experience out of the class rooms for the budding managers.
