KRISTU JAYANTI SCHOOL OF MANAGEMENT, AUTONOMOUS, BENGALURU ORGANISED FIELD VISIT AS PART OF THE CURRICULUM

The Kristu Jayanti School of Management organised an experiential learning approach as part of its curriculum – an industrial visit to Mysore Airport for 1 MBA students on July 28th and 29th, 2022. The main objectives of the visit are to understand the airport operations and their functions, terminal and fire safety functions and the roles and responsibilities of a terminal manager. Students were exposed to the terminal Manager's Functions, The runway protocol and its applications and Aircraft fuel assistance have been elaborated. The fire safety officer demonstrated the fire and safety standards and procedures in emergencies both inside and outside the

terminal with the safety vehicle. It was an enriching learning experience for the students as the country expands its airport operations in semi-urban areas.
