WOXSEN UNIVERSITY IS CONDUCTING THE GLOBAL IMPACT SUMMIT 2022

The Global Impact Summit 2022, to be held from 10th – 14th April 2022, will be the first ever major event by an educational institution in India produced to witness some of the world's best institutions taking part with the aim of evolving together in the global community. The summit will see leading Indian entrepreneurs, government officials and public figures adding immense value to the discussions. Global Impact Summit 2022 is being organised with the goal to learn, connect, aspire and innovate and will be the right mix of roundtable discussions, keynotes, exhibitions, debates, research symposium, cultural show, city tour, and much more.

Over the course of five transformational days, academicians, researchers leaders in higher education from all over the world will come together on one forum as a first-of-its-kind initiative in India to identify, catalyze and solve for convergence and impact, and establish the pertinent actions we can all take right now to create sustainable change and transformation. The partners for the GIS include AACSB, EFMD, ETS, LinkedIn Local, Quacquarelli Symonds (QS), and IMA India.

XIME-WEBINAR ON “OPPORTUNITIES FOR MBA BUSINESS ANALYTICS IN TODAY’S INDUSTRY”

Xavier Institute of Management & Entrepreneurship, Bangalore conducted a Webinar on “Opportunities for MBA Business Analytics in Today’s Industry” on 12th & 16th of March 2022. Panel Members for this webinar were Ms Padma Chakravadhanula, VP & Head - Talent Acquisition, Sonata Software; Mr Prasanna Janardhanam, Head of Business Analytics, TCS BFS Solutions; Ms Padmashree Shagrithaya, SVP & Global Head, Business Analytics & AI, Capgemini; Prof NMK Bhatta,

Head of Analytics Area at XIME and Prof Ashwath Shastry, Associate Professor of Business Analytics. Participants were aspiring graduates who are keen to pursue a career in the field of Business analytics. About 200 students participated in the webinar on both days. Panelists explained how the field of Business Analytics has taken the industry by storm and advised the participants that it is the right time for them to take a plunge into this field and become leaders in the world of data.

KRISTU JAYANTI SCHOOL OF MANAGEMENT ORGANISED ‘SEVA SAURABHA’

As part of the MBA curriculum, Kristu Jayanti School of Management organised a social outreach programme “Seva Saurabha” on 12th March 2022. The main objective of the programme is to sensitise the students to the socio-economic issues. Students visited Refuge Foundation and Guanella Preethi Nivas. Students of MBA first year participated in this programme. The students organised various programmes for the inmates, such as dance, songs and fashion show. The Refuge Foundation consists of 21 girls in the age group of 9-18 years studying in different institutions. Some students conducted a session on good

habits by displaying posters. At Guanella Preethi Nivas, students conducted many recreational activities such as dancing, singing, skit, and games. The occupants of the old age home enjoyed the programs. At the end, refreshments and some essential items were distributed. The programme was coordinated by Prof. Sen B Mathews and Dr. Sheeja Krishnakumar. It was a great learning experience for the students.
