## SCHOOL OF MANAGEMENT, KRISTU JAYANTI COLLEGE (AUTONOMOUS) ORGANISED AMRIT KAAL VIMARSH - VIKSIT BHARAT @ 2047

In a thought-provoking session organised by the School of Management and the Department of Computer Science PG at Kristu Jayanti College, Dr Viraj Kumar, a distinguished Visiting Professor at KIAC and National Council Member of ACM India, delivered an enlightening lecture on the 'Future of Higher Education in the World of AI'. The event commenced with Ms Kanishka, the Emcee, orchestrating the atmosphere by inviting the school choir to set the tone with a soulful prayer song. The gathering was welcomed by Mr Abirath, Student Coordinator. Dr M K Baby, Head, School of Management, extended a gracious welcome to Dr Viraj Kumar, acknowledging his expertise in the field. Ms Lakshmi, Student coordinator, introduced the distinguished speaker to the audience, providing insights into his extensive experience.

Demonstrating a commitment to practical understanding, Dr Viraj showcased the application of AI through a Python computer program, providing a hands-on experience for the audience. The expert lecture concluded with an engaging question and answer session, allowing attendees to interact directly with Dr Viraj, fostering a dynamic exchange of ideas. Dr Muruganantham A, Coordinator of the Department of Computer Science PG, expressed gratitude and felicitated Dr Viraj Kumar. Ms Shriya, the student coordinator, proposed the vote of thanks. The program was meticulously organised in line with the Government of India's initiatives, 'Amrit Kaal Vimarsh' and 'Viksit Bharat @ 2047'.
