The Institution

Kristu Jayanti College is an incarnation of the educational dreams of Saint Kuriakose Elias Chavara (1805-1871), the founder of the religious congregation, Carmelites of Mary Immaculate (CMI). He envisioned the sunrise of a renewed humanity through the integral development of mind, body and spirit. The motto of the college, Light and Prosperity, aims at this synthesis and the harmony of the spiritual and the physical, the mind and the body. The curriculum and the co-curricular activities are the basic structures acting as springboards to step into the mystery of human life and beyond.

Kristu Jayanti College is reaccredited by NAAC with 'A' Grade in 2015 and is an Autonomous College under Bangalore University. Housed in a spacious campus, the college incorporates a traditional academic setting with a cutting edge technology. With refreshing environment, beautiful scenery and moderate climate, it provides an atmosphere which is conducive for effective training and learning programmes.

The College is ranked 3rd, 4th and 5th in Commerce, Arts & Science among top 10 Colleges in Bangalore and 16th, 22nd and 24th best Commerce, Science and Arts College in India by India Today Nielsen Survey 2015.

The institution strives to fulfill its mission to provide educational opportunities to all aspiring youth to excel in life by developing academic excellence, fostering values, creating civic responsibility and building global competencies in a dynamic environment.

SCHOOL OF MANAGEMENT (MBA & PGDM)

School of Management was established in the year 2002 with an objective of shaping young managers to meet the growing demand of management professionals for the industry. The School offers 2 years full time PGDM and the MBA programme affiliated to Bangalore University and approved by AICTE. The School encourages continuous quality interface with industry through internship, projects, workshops, seminars, MDP's, lectures, Six Sigma green belt certification etc. It aims to develop budding managers with a sense of initiative and accountability. It ensures the holistic development of its students, thereby making them intellectually, socially, physically and spiritually balanced human beings. Management programme (MBA & PGDM) is ranked among the top in leading B School surveys.

ABOUT THE PROGRAMME

We are in the midst of a revolution. Industry 4.0, also known as the Fourth Industrial Revolution. This new environment includes four components: the internet of things, the internet of data, the internet of services, and the internet of people; these parts have come together and have witnessed growth and changes at an unparalleled pace. The rapid rate of change has necessitated a reevaluation of corporate structure and workplace business practices, particularly within the leadership realm.

Leadership in the 4th Industrial Revolution will be defined by the ability to rapidly align & engage empowered, networked teams with clarity of purpose and fierce resolve to win. Brian Bacon, founder – Oxford Leadership It is important for leaders and aspiring leaders to stay abreast of the changing landscape and maintain an enlightened and flexible approach to guide businesses into the future. In this context, this MDP Program on "The Emerging Leader for Industrial Revolution 4.0" will provide the right forum to understand, interact and rethink on the leadership required to successfully manage the FIR – fourth Industrial Revolution
